This double sided high performance tape is ideal for many lightweight mounting and bonding applications to paper, film, foils, plastic, textiles and more. It features an aggressive, high tack acrylic adhesive that sticks to almost any surface.

Application

- Use to bond papers, films, foils, textile, plastic and metal
- Use for general assembly of decorative parts
- Use for temporary bonding to keep items in place prior to fastening
- Use to bond textile and leather prior to sewing

Features & Benefits

- Tears by hand making it very easy to use
- Fast grabbing adhesive sticks well from the onset and helps save you time
- Flexible enough to conform to many surfaces
- Adheres well to a variety of surfaces
- Easy to remove paper liner

Storage & Usage Conditions

Store tape in its original packaging away from direct sunlight and in a cool and dry area. For optimum

performance, tape should be used within 12 months of date of shipment. Tape works best when applied to a surface that is clean, dry and free of grease, oil or other contaminants.
