

DESCRIPTION

CL-W6033 is a matte black professional gaffer's tape that's the choice of professionals nationwide. This gaffer's tape is strong, durable, and anti-reflective. The tape conforms well to irregular surfaces and holds its shape, won't curl or twist, and can be used indoors and outdoors. The gaffer's tape has a rubber adhesive and is weather resistant, water resistant, and able to withstand high temperatures. The tape is easy to unwind and apply, can be torn by hand, and leaves no residue when you remove it. Gaffer's tape is most commonly used for: taping down cords and securing and protecting wires, cables, and overhead lighting.

APPLICATIONS

- Securing and protecting wires, cables, and overhead lighting
- Taping down power cords during Concerts, plays, video productions, and trade shows
- Artwork and Framing
- Book binding and Displays

FEATURES & BENEFITS
